

**MEETING
WITH
PASTORS
&
RECOMMENDED
COUNSELORS**

The Pastors and staff of Eastview Christian Church are available for prayer and biblical support. For further assistance we encourage people to contact a professional counselor. To help in the process we have developed a list of Christian counseling agencies and counselors we recommend. If you would like to get some help in choosing which counseling service or counselor would best fit your situation, please contact Sara Thompson, our Pastor of Member Care and she would be happy to help walk you through the decision process.
